FYI SECTION

Larry and Vicki Smith now have their house up for sale and will be moving to Florida as soon as it sells. Vicki went to Florida ahead of time to get things ready. They will both be missed very much but we know that they will be back to visit. Congratulations to **Gary & Debbie Yale** on their new marriage! You're a great couple and we know that you'll be happy forever!

We owe a big THANK YOU to **Hal Tumbleson** and the **Denver Newspaper Agency** for donating \$182.00 towards the purchase of new cones for our autocrosses. At the time, that would have been enough to purchase 50 additional cones. Since there was a price increase and shipping charges had not been calculated, by the time we got through ordering, we only could purchase 135 new cones (we were going for 150). The new cones look mighty spiffy and our autocrossers should be able to see them easily. Now we need to organize a “stenciling party” to put CSCC on all of the new cones so they don't get mixed in with “borrowed” ones.

The June meeting of the CSCC was called to order at approximately 7:05 p.m. by President **Walt Jenkins**.

Karen Jenkins gave an update on the minutes announcing that member **Mary Hemingway's** mother had passed away and that the club had sent flowers and a sympathy card to Mary and Paul.

Treasury report: **Gary Yale** reported that the club treasury now has \$3742.00.

Guests: **Bob Capraro** introduced the guests. **Rik and Florece Norring**, as well as **Larry and Joyce Small** were voted into the club. Congratulations and welcome!

Old Business

Merchandise: **Pete Olejnik** introduced **Larry Lukenbill** as our new merchandise Chairman. After a lot of research, **Pete** recommended that the club purchase four screenprints for our club t-shirts from **Ni-mon Signs** who will do our club t-shirts in the future. The club voted on it and the motion carried. **Pete** also announced that if anyone buys any merchandise for \$30.00 or more at any one time, that they will receive a free license plate plaque. **Walt** and **Pete** are working on a system to put the club merchandise online so it will be more visible for the members to see and order from. You can still order through the catalog also. The club would like to thank both **Pete and Alta** for all of their hard work and organization of the merchandise that they have done!

Cone zone autocross: **Walt** gave an update on the Cone Zone Autocross and School which was held April 23rd & 24th. He announced that for the school Saturday the weather started out cold but warmed up and it turned out to be a beautiful day. Registration and Tech-inspection went really well. There were three separate courses set up and we divided into three groups so that we could all get a chance to drive every course. The second day was race day and the day started out beautiful! We got the first heat out and finished in really good time and by the time the second heat was ready to go, it began to rain lightly and got heavier as time went on. We barely got through the second heat and decided to cancel the second race. **Walt** thanked the following people for their help with the autocross: Registration: **Barb Reynolds, Karen Jenkins and Ashley Mess**. For Tech-inspection: **John Gue, Larry Lukenbill, Dick Strauch, and Johnny Harris**. Manning the gate: **Bob Capraro, Melvin and Ruth Swindale**. Timing Board: **Alta Olejnik, and Cindy Tumbleson**. Flaggers: **Hal Tumbleson and Anne Silvers**. Course Workers: **Craig Wisniewski**. **Walt** sent out a very special

“thank you” to **Don Adametz** for helping out in every field such as taking down and setting up cones and helping out anywhere he was needed. A special thanks went out to the course workers who had to stand out in the rain during the second heat, Also, we would like to send a **BIG** thank you to **John Ames** for mapping out and setting up the course for the school and autocross. As always, he did a terrific job and we couldn't have had such a fun time without him! We also had several members from the Denver clubs attend and they also had a great time. **Walt** then presented the trophies for all of those who placed in the autocross.

Fun in the Sun Regional Car Show: **Rik Noring** mentioned that he could really use some volunteers for parking & judging. He announced that there is a map to the car show printed on the flyers. There will also be pony rides for the kids, door prizes food and trophies. **Rik** also reported that the new shop for the Corvette Center should be opening at the ranch around August 1st.

Daniels Car show: **Ray** and **Sean Pazdzior** are working on the flyers for the car show. **Ray** announced that registration will be \$15.00 and will give us a date on when we can begin registering. He asked the club for \$300.00 for trophies. The club voted and the motion was passed.

Abbey Car Show: **Diana Dittman** announced that anyone who would like to caravan down to the Abbey Car Show should meet at the McDonalds on Nevada by Southgate at 8:00 a.m. If you would like to eat first, you should be there around 7:15 or 7:30. Remember, we will be LEAVING McDonald at 8:00 a.m. so that we can arrive in Canon City at 9:00 a.m.

Pagosa Springs Classic: **Barb Reynolds** reported that the car show would be on Saturday, September 17th. She is still working on the details of the events, so she will have an update for us later but she did mention that some of us go up on Thursday or Friday so we can have some “relaxing/goofing around” time. She also wanted to thank **Larry** and **Vicki Smith** for all of their hard work and organizing the past Pagosa Springs car shows. The club would also like to send out a special “thank you” to them.

New Business

NCCC News & Updates: **Gary Crumb** announced that the Top of the Rockies Corvette Club covered the Cone Zone Autocross and had a picture on the front page of their newsletter. He also mentioned that the National Governors meeting was going to start the next night in St.

Louis . He also reported that "Show Us Your Vette" hosted by Top of the Rockies was going to be held on May 14th, which is on the same day as the Fun in the Sun car show. He mentioned the Down the Road autocross on May 22nd in Mead Colo. And Big Sky, in Bozeman Montana which is supposed to be quite an event. Gary then surprised Ruth Swindale with a Jeff Gordan stadium seat. He also asked that if anyone needed a rule book, they should get with him after the meeting and he would try to get some ordered and have them within the next couple of weeks.

Summer Solstice Autocross: Walt announced that we need a Chairperson for the autocross and Don Adametz volunteered to chair the event. We decided to re-schedule the autocross. It was originally supposed to be held on June 19th and there is no set time yet on the new date. We won't be able to get P.P.I.R. so we are looking into New Life Church.

Autocross Cones: We are noticing that our cones for the autocrosses are in REALLY bad shape, so Walt asked the club if we would like to purchase new ones at \$3.65 apiece. The club agreed to buy 100 new cones.

Vettes on the Rockies: Thank you to Tim Whalen for volunteering to chair the Vettes on the Rockies to be held August 6th & 7th. Events leading up to the car show will begin on August 4th.

Door Prizes

Thanks to Melvin Swindale for picking up the door prizes and to Daniels for donating them. There were no door prizes awarded tonight because we are using them for the Fun in the Sun Car Show.

Good News/Bad News Suitcase

The Good News/Bad News suitcase is due back for the meeting next month to be auctioned off.

The meeting adjourned at approximately 8:05 p.m.

Dinner after the June meeting will be at The Black-Eyed-Pea at 887 North Academy Blvd. (East of the Citadel Mall) 597-2902, for all who are interested.

President's Corner

Corvette season is in full swing, with events planned by the CSCC and other car clubs in the area almost every weekend. We've had two good events in the past months, that being the Cone Zone Autocross and the Fun In

The Sun Car Show. Thank you to everyone that participated in the events and a big thank you to those that helped to make those events possible, we could never have done it without the support of our club members. Participation in club activities is the best way to get to know your fellow members, and I personally enjoy the company of my CSCC family, even though I never seem to have time enough to visit with everyone. It seems that there is always too much to do and too little time to do it. Ah well, better that than sitting at home doing nothing and waiting for the weather to warm up so I can drive my CORVETTE! Please watch the club events calendar for our upcoming Summer Autocross, Daniels Car Show and NCCC Regional Picnic, all should be a good time and I invite all to join Karen and I while we attend these activities.

Respectfully submitted,
Walt Jenkins
President
