Walt Jenkins

The September meeting of the CSCC was called to order by President **Walt Jenkins** at approximately 7:00 p.m.

Amendments to the September minutes: **Walt** announced that there was a mistake in the August newsletter regarding the CSCC annual picnic. It was printed twice with two different dates. The correct date of the picnic is September 25th.

Karen Jenkins announced the birthdays for September. Hope everyone had a very happy Birthday! She also reported that the club had sent flowers to Helen McCaffery who is in the hospital. **Gary Crumb** had been to visit her and reported that the doctors were running tests and still weren't sure what was wrong with her.

Treasurers Report: **Gary Yale** reported that we currently have \$3254.60 in the treasury. He reminded everyone that they have until the November meeting to renew their membership. You can either give your dues to Gary at the meetings or mail them to him before the November club meeting.

Merchandise: Our Merchandise Chairman, **Larry Lukenbill** announced that we had our first internet order for merchandise. Please check with Larry for any merchandise ordered or if you may have any questions regarding the website.

Website: **Walt** reported that we had around 23,770 hits last month, which he says is about normal.

Guest Greetings: 2nd Vice President, **Bob Capraro** introduced all of the guests present at the meeting. There were quite a lot of guests and we would like to give them a warm welcome and invite them back.

Old Business

Rocky Mountain Corvette Social Club (RMCS) Dealer Appreciation Car Show: The show was held at Al Serra Chevrolet on August 13th. **Sean Pazdzior, Mike Bochnak, and Mike and Diana Dittman** all won trophies at the show. **Mike** reported that there were around 50 Corvettes at the show.

He said that it was a chilly day but they all managed to have fun anyway. We would like to congratulate all of the winners! Way to go guys!!! We would also like to congratulate **Larry and Vickie Smith** on the purchase of their new '2004 Vette that they happened to find for sale at the show. It is an absolutely beautiful car and needless to say, they are very proud of it. **Walt** also announced that **Larry & Vickie** have sold their house and will be moving back to Florida very soon. They will still be members of the club and we plan on keeping in close contact with them. They have been such active members for years and the nicest people you would ever want to know. We will all miss them very much and miss seeing their "smiling" faces at the meetings and the events! Best of luck to you both and be sure to come visit us during hurricane season!!! Please remember, DO NOT WAIT TO EVACUATE!

Daniels Car Show: **Sean Pazdzior** gave a report on the Daniels Car Show. He began by thanking everyone who attended the show and who worked. He said that we had a total of about 87 cars and a lot more space than we did last year. We would like to thank **Neil Petterson** for his donation of \$50.00 to help support our charity. It was a very generous donation. **Sean** presented a check to **Debbie Boggs**, a representative from our charity **North-ern Churches** for \$1016.00 which was raised from the proceeds from the Daniels show. The CSCC would really like to give a big THANK YOU to **Ray & Sean Pazdzior** for all of the time and hard work that they put into making this a very successful event! You guys did a great job and we really appreciate all that you both did!

Pagosa Springs Classic: (September 17th & 18th). Chairperson, **Barb Reynolds** reported that the show is shaping up to be the best one yet! She announced that she has already gotten 21 registrations. There will be a Balloon Glow, Wine and Cheese Tasting as well as a community picnic along with the car show! **Barb Ewing** gave a report on the road conditions on travel to Pagosa Springs. She and Joe took a drive up through Wolf Creek

Pagosa Springs Classic Car Show

And **DO NOT** recommend going that way due to construction and lots of gravel. She stated that the going through Chama would probably be the best bet. She left flyers for phone numbers on road conditions for anyone who would like to call ahead. We would like to thank **Barb Reynold** for all of her hard work organizing this event and also **Barb & Joe Ewing** for checking out the road conditions for us!

Club Picnic: (September 25th). Chairperson, **Ruth Swindale** gave an update on the club picnic. She reported that she has approximately 60 people signed up. It will be held at The Pantry Restaurant in Green Mountain Falls and will begin at 11:00 a.m. Food will be served at 12:00 p.m. The cost is \$5.00 per member and \$7.00 each per non club members. Thank you **Ruth** for all of your time and hard work on this event!

Fall Autocross: (Octoberf 2nd) Chairperson, **Don Adametz** reported that we have the World Arena again for the autocross. The parking lot size is reduced but it should still be great! Don asked the club for \$850.00 to pay for the lot. Motion carried. Don also passed around a sign-up sheet asking for volunteers to help in the autocross. If you did not get the sign-up sheet and would still like to help, please let Don know. Autocrosses are a lot of work and take a lot of time to plan and set up. It's also a great way to meet and get to know other fellow members. Online registration and pre-registration for the autocross is recommended. **Walt** announced that timing classes have been held for a few members who were interested and we also have a new label printer to print out names and times for each heat. **Gary Crumb** is checking to see if he may have a generator that we can use for the autocrosses.. Thanks Gary!

Homecoming Parades: **Tom Ury** announced that he still needs convertibles and coupes to participate in some of the parades for some of the various high schools. The club gets \$10.00 for every car that we volunteer and that money will go to our charity. Please call **Vickie** or **Tom Ury** if you would be interested in volunteering to drive in any of the parades.

Veterans Day Parade: **Pete Olejnik** gave a report on the Veterans Day Parade, which was held in Cripple Creek on August 20th. He announced that 13-14 cars participated in the event. They were a little disappointed because they were expecting to carry some Dignitaries and instead, ended up driving The Red Hat Club. He stated that a few of the cars did get to drive some WACS in the parade though. It was reported that there were 10,000 motorcycles present at the parade. Pete said that the weather was absolutely beautiful in the morning but the afternoon was very rainy. He and Alta have just recently gotten their '66 convertible dried out after driving home in all of that rain!

Fun in the Sun Financial Report: **Walt** gave an report on the Financial status of the Fun in the Sun Car Show. We would like to thank **The Crvette Center, Gary Crumb &and Ray and Ramona McCarthy** for their donations to the show.

Good Time Car Show: **Mike Bochnak** reported that he had the only Corvette at the show and that he got put into the 1949 or newer class but that he still won. Congratulations again to **Mike!**.

New Business

NCCC News and Updates: Governor **Gary Crumb** announced that there will be a 3.2 mile autocross at the Regionals in Casper WY. There will be a car show, rally funcanna and an autocross. He announced that the Elway Dealer Appreciation Car Show for Down The Road Corvette Club will be held on the 10th of September. There will also be two low-speed autocrosses in Mead CO. Held by DCA and DtRC on September 25th. This is a really fun road course but it is also on the same day that our club picnic will be held. The rest of the upcoming events are listed on the Rocky Mountain Region calendar in the newsletter. **Gary** also mentioned that he now has rule books. He said that anyone who is interesting in purchasing one for \$7.00 each, to please give him your name and phone numbers and he will get more ordered and here in time for the next autocross or by the end of the week.

Winners at the Corvette Roundup in Casper, Wyoming, Labor Day Weekend

Larry & Vicki Smith, We'll miss you!

Thank you Gary for ordering those for the members!

Rocky Mountain 2004 Region Awards: Walt presented patches to three of our Region award winners. We would like to congratulate **Barb Reynolds** for getting **1st** place, **Roger Miller** for **2nd** place and **Larry Smith** for winning **6th** place. Way to go guys (and gal)!!!

Trash Pick-up: Chairperson, **Mike Dittman** reported that the sign is still not posted at our location. He was told that other sign, such as sop signs were more important (go figure) but he still scheduled a trash pick-up for October 1st at Mile Marker 134-135 at 8:00 a.m. **Diana** promised Walt that she would arrange an eating place that we can go to for breakfast after the thrash pick-up. Mike passed around a sign-up sheet for anyone interested in helping. Please call him for directions and where to park.. **Diana** also mentioned that our new members, **David and Karen** just got married in Las Vegas! We would like to extend our warmest CONGRATULATIONS to the Tindals and wish them a lifetime of happiness!

Validation Stickers for the club trailer: Vice President **Craig Wisniewski** and Second Vice **Bob Capraro** are working on getting the validation sticker renewed for the club trailer.

S'No Flakes Rally: (Sometime in November) Chairperson for the S'No Flakes Rally **Pete Olejnik** gave a report and decided that he would work with **Dick Strauch** and instead of having the S'No Flakes rally this year, they would put on a "Hare and Hound" rally. Dick explained how the Hare and Hound rally will work and it sounds like a lot of fun and different from the usual rallies. Thank you both for setting up this event!

Halloween Party: (October 29th) This year, **Bill Ryan** has volunteered to host the annual club Halloween party at his home. It will begin at 6:00 p.m. and go until ??? **Ashley & Shawn Mess** have volunteered to help Bill with the event. He passed around a sign-up sheet for those who may be interested in attending. If anyone else is interested in helping, please ask Bill where he may need the help. Thank you **Bill** for volunteering to chair

This event for us this year!

President's Corner

Well, its that time of year again when I get to thank our officers for doing such a great job and supporting me during this past year. Believe me, I couldn't have done this job without the support and work contributed by our Club Officers and Board Members.

Thank you Craig Wisniewski for being our 1st Vice President and securing all of those discounts at the places we eat after the business meetings. Also thank you for being patient during the many, many times we had to get into the club trailer and needed your assistance.

Thanks to Bob Capraro for "meeting and greeting" all of our club members and guests at the club business meetings. Also thanks for your help at club events for making sure everyone signed the waiver.

Thanks to Gary Yale for doing the Treasurer job for the past two years. This job is one of the harder jobs to do because of all the paperwork that needs to be constantly done. Gary performed these tasks with his usual efficiency and I never have to worry about it. Thanks Gary!

Thanks to our Governor Gary Crumb for attending all of the Regional NCCC meetings, relating changes that are discussed and ensuring our NCCC paperwork is filled out properly and completely.

Thanks to my wonderful wife Karen Jenkins as our Secretary for all her work putting together the newsletter, taking meeting notes and getting our advertisers up-to-date with their changes. I never realized what a tough job being Secretary is, but Karen accomplished it in style.

Lastly, thanks to our Board members, Ray Pazdzior, Ruth Swindale, Vance Davis, Anne Silvers and Diana Dittman. We need the experience you bring to the club for decisions that are made at the Board and Club Meetings and I thank you for your insight and contributions.

Respectfully submitted,
Walt Jenkins, President

FYI SECTION

Alex Nelson from the Rocky Mountain Corvette Center announced that he has new C6's for \$1000.00 off of MSRP. He also will have Six new C6, Z06's within the next couple of months.

Tim Whalen went into the hospital on Sept. 20th for some minor surgery and was released on Tuesday, the 21st. We wish you well Tim and hope that you have a speedy recovery!

Don Adametz and several others went to the Mead Autocrosses put on by DtR and DCA Corvette Clubs. This picture is of Don's front end after a little "off track excursion". This didn't discourage Don though, who says that there will be a different front end on it the next time we see it.
