We would like to give a warm welcome to all of our guests and hope you come back.

The July meeting of the CSCC was called to order at approximately 7:00 p.m. by President Sean Pazdzior.

Amendments to the August minutes: The following correction was made to the August minutes: **Mike & Diana Dittman** came in third place at the Progressive Food Rally which was held on July 22nd. Sorry about that guys! Motion to approve August minutes carried.

August Birthdays: The following people celebrated birthdays in the month of September: **Jim Mesite, Anne Silvers, Patty Strauch, Ray Pazdzior, Bill Ryan, Jane Creighbaum, Brigetta Redlin, Mike Kilfoyle, Jim Fockler, Kia Silvi, Steve Erickson, Dick Klatt, William Silvi, John Martin, Tom Rogers, Todd Butts, Debbie Martin, Larry Valentine.**

We hope that each and every one of you had a wonderful birthday!

Treasurer's Report: Treasurer **Hal Tumbleson** reported on the club treasury and announced that we are still doing well. He reminded everyone that renewals are coming up and that everyone needs to remember to look for their renewal slips in this month's newsletter. If you plan on renewing your membership, you need to pay **Hal** beginning at the October meeting and no later than the November meeting. He will have extra copies of the renewal invoices at the meetings in case you need one. The amount is \$48.00 per year. **Hal** will be sending out e-mails to everyone, reminding them of the renewals & deadline.

Greetings: **Gary and Debbie Yale**, (sitting in for 2nd Vice President, **Bob Capraro**) introduced and welcomed several guests for the evening. We hope to see you at many upcoming events so that we can all get to know you better!

Merchandise: Merchandise Chairman, **Larry Lukenbill**, reminded everyone that he has refrigerator magnets, pins and mirrors along with hats for sale. You can still order club merchandise off of the website, so buy some and keep **Larry** busy!

Website: Webmaster, **Walt Jenkins** announced that there were 11,236 hits on the website last month. The website was infected so we're thinking about switching servers. The club was asked if anyone would like to help sponsor the new website and you would get a full page ad in the newsletter for your sponsorship.

Old Business

Daniels Car Show: Chairpersons, **Mike & Diana Dittman** announced that the Car show turned out great despite the bad weather. There were 65 cars and the show was held inside in the service bays at the Daniels Service Center. This was a huge sacrifice for **Daniels** because they had to close down the Service Center for the day and send home all of their mechanics. Mike thanked all of the helpers which are listed further on in this newsletter along with a list of all of the winners at the show. **Mike** reported that the club made \$1014.00 for our charity **Mission Medical Clinic**, but \$392.95 of that money needed to go towards paying for trophies for the event. Mike made a motion that the club pay for the trophies and that we go ahead and donate the \$392.95 to our charity so that we could give them the total of \$1014.00. The motion passed. **Mike** also made a challenge to the business owners of our club to sponsor trophies for the car shows. Each sponsor would only sponsor trophies for one class in the show, so please keep this in mind if you are a business owner and contact **Mike Dittman** if you might be interested.

Diana presented **Joy Boland** with a check for \$1014.00 to **Mission Medical Center**. We would like to thank all of the volunteers for helping out to make this show such a hit and congratulate all of the winners! The club would also like to give **Mike & Diana** a really big THANK YOU for all of your time, effort and hard work in putting on this huge annual event!

Pagosa Springs Classic: Chairmen, **Joe Vlasek & Bob Jennaro** gave an update on the car show. **Bob** assured everyone that **Joe** guaranteed a sunny day for the show. They said that they have some wonderful events planned including a welcome party at the

And the following individuals who helped with registration, parking vote counting etc.

Pagosa Classic

“The Ultimate Drive & Dine Car Show”

The adventure began Friday AM when the Vlasek's, Jenarro's and Lukenbill's started out to Pagosa early in order to set up registration for the evenings welcome party Hosted by The Best Western Oakridge Hotel. The Weather was fine until South Fork where we drove into rain, and ultimately snow while crossing over the pass! We made it over just fine, even though the Jenarro's were a bit cool! Bob had his Heat Turned Off! (Darn Details!) The Caravan led by Walt Jenkins avoided the white stuff by going through Chama. The Welcome party proved to exceed expectations with a plentiful assortment of free goodies provided by the Best Western. Friday night everybody split up for dinner, going to a variety of the local restaurants with some of us attending the Town sponsored Beer and Brat Tent by the Hotel.

Saturday's festivities included many of the club members soaking in the Hot Springs. The Hot Springs also provided us with discount specials. The Balloon ascension in front of the hotel was cancelled because of high winds, but the anticipated Balloon Glow did go as planned. Saturday afternoon, Bob Jenarro Hosted a High Tea at Victoria's Parlor which was attended by the Vlasek's, Jennaro's, Lukenbill's, Jenkins' and Anderson's. It proved to meet or exceed expectations. Even Walt was smiling! Saturday evening the club dinner was hosted by the Bear Creek Saloon which gave every one their first drink for free. The evening finished off by some people soaking, some people partying at the Best Western, and some people dancing the night away!

Sunday dawned bright and sunny for the Mass Balloon Ascension and Corvette Car Show at the Clock Tower Park and Bear Creek Saloon parking areas.

Every one had a nice time with a good representation of generations 2-6 and Bochnak's Custom.

Winners and trophy presentation were as follows.

C2	Bob Jenarro		
C3	Hal Tumbelson		
C4 1 st .	Phillip Bellman	C4 2 nd .	Pete Olejnik
C5 1 st .	John Anderson	C5 2 nd .	Joe Vlasek

Custom & Best of Show: Mike Bochnak

After the show most people headed home but a few of us hung out to enjoy the best Pagosa had to offer.

As Chairman of this event, I would like to personally thank Bob Jenarro Co-Chairman, as well as our major sponsors, and participating members who assisted in putting on this event.

RMCR Rocky Mountain Competitive Research 719-574-0625 of Colorado Springs for Trophy's and Dash plaques.

Dream Works Performance Engineering Denver 303-922-5400 for Goodie

Bags.

Larry Lukenbill for trophy selection and acquisition.

Best Western, our host hotel, a beer & brat tent, a High Tea/Hat contest, wine & cheese tasting, balloon glow etc... **Joe** announced that the trophies will be beautiful and encourages everyone to please sign up. You can register online or at the event.

Walt Jenkins will be leading a caravan on Friday morning, meeting at the McDonalds at 10:00 a.m. on S. Nevada

Code of Conduct: **Karen Jenkins** announced that we will be voting on the change to the standing rules for the code of conduct at tonight's meeting. The recommended change was posted in the last two newsletters so that everyone could have a chance to look them over and decide whether they wanted to accept the change or not. There was a suggestion that we take out the words "Like adults". The motion carried with the change.

Cripple Creek Parade: Chairperson, **Patty Strauch** was not present at the meeting, but she informed me that we had missed our deadline for this years parade but assured us that we were on the list for next year. She will keep us updated as the time gets closer next year.

Club Picnic: **Rik Noring** reported that the biggest problem they were having with planning this event was picking a date because there are so many car shows and autocrosses going on. After much discussion, the club decided on September 23rd for the date. Since some of the members are going to go to the Chili Fest in Pueblo, we could all meet there and then have our picnic at Rosario's Italian Restaurant for the picnic in Pueblo. We will all meet at Rosario's at 4:30 p.m. If you need directions, please contact **Rik**. **Rik** asked the club for \$600.00 to cover the cost of the picnic. Motion approved.

Trash Pickup: **Mike Dittman** announced that the next trash pickup will be held on September 30, at 8:00 a.m. at the Farm Crest Milk Store on Hwy. 85, mile marker 134. As usual, there will be breakfast afterwards. **Mike** also took the opportunity to pass out some magnetic pins that our member **Dan Miller** makes. You can get a picture of your car on the pins. They are really nice, so if you are interested, please contact Dan Miller.

Homecoming Parades: Chairperson, **Vickie Ury** reported that she has most of the events covered but asked the club if we should keep supporting the homecoming parades. She says that it is getting really hard to get members to volunteer for the events anymore. She said that it is something for us to think about.

Hal Tumbleson reported on the **Central Wyoming Roundup** in Casper. He announced that it only cost \$135.00 for the Regional event and that included four events. All dinner bills, and hotel. There were 93 cars and gave out 100 trophies. Congratulations to **Hal & Cindy** for coming in first place in the Funkhana (NOT “Funkana Hal!”)!!! The autocross is held on a 3.3 mile road course. He said that there were plenty of antelope going out by the course to help “slow you down”. There was also a car show. This is always a great event, so if you haven’t gone, maybe you should think about it for next year. It is always well worth the money!

New Business

NCCC News and Updates: Governor, **Walt Jenkins** gave a report on the NCCC Convention, which was held August 5th-11th. We did learn a lot of things that we should NOT do if we host the National Convention in ‘09. He also reported that our car broke a lot and that while he got to run the high speed autocross on Sebring Race Course, I did NOT because HE broke the car! The next National Convention will be held in Nashville TN. June 16th-22nd of next year. Hopefully, that one will be much better. **Sean** asked the club if anyone would like to be a guest speaker for the Easter Seals. They have a new guest speaker every week and are looking for someone to talk about the club or different events we do. If you are interested, please contact **Sean**.

Halloween Party: **Sean** announced that we need a chairperson for the Halloween party this year. We would like to thank **Winnie Bochnak** and **Florece Noring** for stepping up to the plate with such short notice. It will be held on Saturday, October 28.

They will keep us updated on the time when they get it put together.

Fall Autocross: Chairman, **Don Adametz** announced that this years Fall autocross will be held Sunday, October 1st at the World Arena. The cost will be \$30.00 per race if you pre-register and \$35.00 if you register on the day of the event. There will be two autocrosses on that day. **Don, Shawn & Ashley Mess** are working on a course and Don says that it should be a lot of fun. We will have a food vendor but we need to have at least 50 people in order for the vendor to come out. **Ashley** has arranged for a host hotel for anyone who may be coming in from out of town and would like to stay overnight. It is the La Quinta Inn located at 2750 Geyser Dr. Phone # (719) 527-4788. The cost is \$75.00 per night. Those rates will be good thru Saturday night. Please let them know that you are with the CSCC for that rate. We are planning on having dinner at Carraba's Italian Grill by the World Arena after the autocross.

S'no Flakes Rally: We would like to thank **Craig Wisniewski** and **Bob Capraro** for volunteering to chair the rally this year. It will be held on November 4th. The time and location will be announced soon. Thanks for offering to do this at such a late date!

Walt introduced his brother and sister-in-law, Ray and Pat Jenkins, who were visiting from Mesa AZ and are also Corvette owners.

Ashley Mess reminded everyone about the Christmas party which will be held at the Iron Springs Chateau., on Saturday, December 2nd. **Ashley** made a motion to get \$1000.00 from the club to help pay for the party. Motion carried.

Sean opened up nominations for club officers. The following people were nominated for positions:

President:	Sean Pazdzior
	Shawn Mess
1st Vice President:	Craig Wisniewski

2nd Vice President: **Bob Capraro**
 Ashley Mess
 Larry Lukenbill

Governor: **Walt Jenkins**
Secretary: **Karen Jenkins**
Treasurer: **Hal Tumbleson**

Please remember that the elections will be held at the October meeting and nominations will still be open for anyone who would like to nominate someone else or themselves before we vote.

Door Prizes

The door prizes were held due to the Daniels car show. Thanks to **Daniels** for once again donating them.

Good News/Bad News Suitcase

Rik Noring brought back the Good news/bad news suitcase for **Bobbie Mesite** this month. It was auctioned off to **Shawn Mess** for \$30.00. He will be bringing it back next month, filled with goodies to be auctioned off to the highest bidder.

After the meeting

The conviviality will be held at **Wood Fired Grill**, located at 411 Lakewood Circle, inside of the Satellite Hotel. 572-0600. It will include a special menu of entrée's including chicken, ribs, steak or two German entrees. The chef is the former owner of Ewe's German Restaurant, so it's bound to be great! Recommended parking on the East side of the building. By the swimming pool, where you can keep an eye on your cars. As always, guests are welcome and you don't have to be a member to attend!

Thanks **Craig** for, once again, coming up with a excellent and unique place to eat!

President's Corner

Well hear we are the month of October the year is almost over. So I would like to take this time to thank a couple of people. First off I would like to thank Mike and Winnie Bochnak for hosting card parties, barbecues, and the Halloween party. Ruth Swindale for putting together the Dub Bridge Party. Winnie Bochnak and Patty Strauch for putting together the Valentines Day Party. A big thanks goes out to Patty Strauch, Ray Pazdzior, and Karen Jenkins for chairing all of the parades we participated in. All of our Autocrosses were a huge success thanks to the tireless work of Walt & Karen Jenkins, Shawn & Ashley Mess, and Don Adametz. The success of Autocrosses was amazing so you should be very proud of yourselves. Next up the Fun in the Sun Show was great and had a wonderful turnout, so thank you Rik Noring for chairing that event. Pete & Alta Olejnik gave us the chance to help out our Veterans by putting together the Vettes for Vets Car show. Not only thanks from me Pete & Alta, but thanks from the Veterans you helped. Alta, also thanks for putting together the Fast Food Rally, it was great fun. A big thank you goes out to Mike & Diana Dittman for chairing our Daniels Car Show, and having a great backup plan so even with the weather we still had an awesome turnout. Mike & Dianna also take the time to organize our trash cleanups. The Pagosa Springs Car Show was exceptionally great this year due to the hard work put forth by Joe Vlasek & Bob Jenarro, thanks guys! Vicki Ury thank you for taking the time out to help the high school kids get cars for their Homecomings. A thanks also goes out to all the Chair people who still have events coming up this year. Of course a thanks to all of you who helped work these events. Without workers our events would fall flat. Always a BIG THANK YOU to Daniels for their continued support for our club.

Now it is time to thank the Officers and Board Members this year. Craig for setting up our meeting place, picking wonderful restaurants, and helping where needed. Bob for making everyone feel welcomed as they arrived and keep track of our guests. Karen for getting our wonderful newsletter out and being understanding when I am late with my Presidents Corner (like this month). Hal for keeping track of our finances and stepping in to help when needed. Walt for keeping us informed about the NCCC, making sure we follow all the rules, and helping when things got crazy. Now for the Board thank you Denise, Diana, Ray, and Vance for keeping us focused and lending support and help when needed. It was a very rough year for all of the Offices & Board members, and you all handled it well. I apologize for what you went thru this year. I know I did not help by ruffling more feathers with the powers that be in the Regional Offices, but looking back I would not have changed a thing. I hope you all feel the same way. So in closing I would like to thank everyone for a wonderful year.

Thank you,
Sean Pazdzior
