## The Space Race Autocross

The Fall Autocross weather began chilly and overcast, however it ended warm and with sunshine. Actually, the work started on Saturday when ten volunteers got together and setup the Autocross course and trailer. That effort enabled us to sleep in a little bit later on Sunday, and not have to setup in the cold and dark on Sunday – thank you!

Things were going pretty well all morning when there was a failure with the Timing equipment pretty close to noon. So, several folks worked through lunch and setup some “borrowed” equipment so that we could continue with the event.

There were a total of 65 races, and we netted a profit of \$616.00 that will go toward the Christmas baskets. What a nice start for such a worthy cause.

There were many folks that helped run the autocross. The following folks are of special mention because they didn't race – Thank you to:

John Ames,  
Todd Butts,  
Pete Olejnik,  
Dick Strauch,  
Susan Umland,  
Larry Valentine, and  
to our impromptu Flag guy - Tom Hoepner!

Lastly, thank you to:

Don Adametz – for your cool, calm behavior that mellowed me out.

Rik Jr. – for your infectious enthusiasm,

Lorren – for your encouragement, and

Winnie – for explaining stuff and making me laugh 😊

The Fall autocross was a success – and fun – because of you.

## HIGH SCHOOL HOMECOMING SEASON

I am happy to say the homecoming season of 2009 was one of happy memories, laughs, and great appreciation. The weather was cooperative, most of the time, and the high schools thought our Corvettes were “hot”. The Colorado Springs Corvette Club was well represented throughout our community and we are contributing a goodly sum to our club charity, Mission Medical Clinic.

Ken Fender recommended that we ask the schools to announce the make and color of our Corvettes while escorting lovely ladies to the mid-field ceremonies. The idea was warmly welcomed and first used to at the Mesa Ridge Homecoming halftime activity. It put a smile on each driver. Really it just gave them another excuse to shine “the baby” up.

The season started off with The Colorado School for The Deaf and The Blind, an event that was cancelled due to very wet conditions on the field. We survived or should I say we dodged the golf carts in the Coronado Parade. We pulled off two events in one night; 16 cars were needed and we filled the requests that night – driving for Palmer High School and St. Mary’s High School. The season continued on with the Hanover High School Homecoming Parade, a true “small town” event. It was quite cold at the Widefield’s Homecoming Football Game but with the Corvette heaters on high the girls left their jackets on the cars’ floors and braved the event. Another cancelled event was the Hanover Homecoming Game. The morning of October 10th was snowy and icy roads stacked up 60 cars on I-25. The “babies” were not going to leave their nice warm garages that day. The season came to a close with the Community Parade through Security and Widefield.

At each of the 7 events, people would ogle each car and many asked questions of the drivers. Of course, drivers were happy to talk about their Corvettes. I believe some drivers even had the opportunity to sell their cars on the spot.

I would like to thank all of the club members that so generously donated their time and money (gas and car washes). It definitely made my job easier. A HUGE THANK YOU to: Melvin Swindale, Scott Paine, Patty Strauch, Ken Fender, Jim Mesite, Wayne Umland, Paul Thompson, Kelly Zajicek, Anne Silvers, Bud Silvers, Don Hatchell, Mike Dittman, Dick Ary, Kathy Morey, Hal Tumbleson, Rik Noring Jr., Florece Noring, and Tom Ury.

The Rocky Mountain Corvette Social Club came to the rescue as well. Without them, pulling off the Coronado Parade would have been difficult. Please recognize and thank with me: Bob Paterson, Terry Darby, Aaron Gillespie, and Nick Oakley.

As a Corvette club, we have the best. Thank you for another great homecoming season.

Submitted by: Vicki Ury

### **Mission Medical Clinic update:**

MMC average number of volunteers, hours, and dollar value of hours for the fiscal year of July 2008-June 2009 is: 132 volunteers documented per month, 1273.93 hours at a value of \$35,086.57.

We are in need of some plumbing installs for two of our patient rooms in the dental clinic. We need either a plumbing contractor to volunteer and/or money designated for that project.

Thanks, Joy Boland, MMC volunteer co-coordinator
