July Meeting Minutes

The July meeting was called to order at 7:00 p.m. by President Vicki Ury.

Treasurer's Report –Treasurer Anita Smith reported on the current funds available.

June Meeting Minutes – The June minutes were approved as printed in the July newsletter.

Past Event Reports -

Bob Sanders reported the **Route 66 Road Trip** went off with no hitches. They had a great party in Nashville, and look forward to future trips.

Chris Capshaw reported everyone enjoyed the **Ouray Corvette Get-Away**, and thanks to Chris for arranging.

Lorren Loewen reported there were nine CSCC participants at the **Casper Autocross**. Average times were around 2 minutes. Lorren was excited he beat Jared Urenda. There were 10 CSCC participants at the DCA Keystone Weekend.

Tom Ury reported there were 29 cars participating in the **Drive Your Corvette to Work day**.

Walt Jenkins reported there were 30 Club participants at the **Monument Parade**. CSCC won the most Distinguished Motorized Award. **Picnic at the Bochnak's** was well attended. Thanks to the Dittmans for helping with cleanup afterwards.

See more articles and pictures of events represented in the newsletter.

Guests were introduced by Chris Capshaw. There were three people eligible to be voted in as new members. Welcome Kim Welch, Ted Thurbir, and Josh Chilcote & Erica Miller.

New Cars, Upgrades, and Miscellaneous

Brian Dougherty reported his wife Pam is doing much better. **Pete Olejnik** gave kudos to **Paul Hasty's** company **Tint Technologies** for doing great job on clear bras. **Bob Knowles** had a hip replacement 3 weeks ago, but still no driving for 4 weeks. **Lucia Bell** reported Bob has put in many hours restoring their 1968 and recently won a Top Flight award. **Ric Noring** reported that they are selling their ranch but don't worry when you see for sale signs. The Corvette Center is NOT being sold. **Carol Shumaker** received a delayed 1st place plaque for the Fun in the Sun Car Show.

Merchandise – Rick Prescott discussed the new window stickers that are now available for \$2 each and CSCC patches are available for \$5 each.

Rocky Mountain Region Update – Lorren Loewen talked about the various ways members can earn individual points and how the club earns points, too. He told how jackets are awarded to point earners. He encouraged members to volunteer for events. Not only do you earn points, it's fun to participate.

New Business/Routine Updates – **Tom Hoeppe** and committee reviewed the Standing Rules and the committee had no recommendations for review. If you want to suggest any changes to the Standing Rules, email Tom Hoeppe.

Barrett Benson still has raffle tickets available. A reminder – the museum will take car donations for fair market value. The museum is free to museum members.

Upcoming Events –Check the Events Calendar on the webpage for even more Regional events, specific information, updates, and online registration.

Saturday August 12 –CSCC Dealer Appreciation Car Show at Daniels Long; see flyer pg 4. Volunteer opportunities for members and non members; Contact Dan McCarty

CSCC-RMR-NCCC Events

Vicki Ury discussed that you join CSCC because of the cars, but you stay because of the people. There are only a couple of club events that are not open to non-members, but there are lots of events that are open to non members. Anyone can race in the autocrosses, rallies (non corvettes, too) and participate at the Pagosa event. So be sure to invite your friends and families. There are 6 or 7 clubs in the region offering several events to attend.

Door prize winners: Donated this month by Daniels Long, Don & Cindy from TX, and Paul Thompson. Winners were Kae Kercheval, Brian Dougherty, Jeff Buck, Steve Smith, Patty Strauch, Josh Chilcote and Ron Fitch.

50/50 Drawing- Record sales were \$334 with \$167 going to the General Fund and \$167 to winners Terry & Susan Darby.

Good News/Bad News Suitcase – Dan McCann will be returning the suitcase at the August meeting.

The meeting was adjourned at 8:00 pm.

DCA "Vettes on Broadway" Car Show

Stars were shining bright at noon on June 17th, as some of our club members collected trophies at the Denver Corvette Association's car show. About a dozen members cruised up to John Elway Chevrolet in Englewood, put their Corvettes on display, and won awards in every class entered. Chris and Jonathan Capshaw collected 2nd place in the C3 class with their 1978 coupe, and Anne Lewis secured a 1st place win in the C4 class, with her 1996 Grand Sport. Tom and Maite Hanon's 2007 coupe brought home 2nd place in the C6 class, while the ZO6's of Tad Brown and Scott Lewis, fought a pitched battle in the C7 class. When the dust settled Scott

was holding the 2nd place trophy, and Tad had 3rd place. Prospective members Mike and Deb Plumb's 2008 coupe rounded out the winning, by collecting 3rd place in the Modified class.

Ouray Getaway Road Cruise

On June 23rd twenty-nine club members and guests, in fifteen Corvettes took off for a little getaway to Ouray, CO. Things got off to a shaky start due to some drizzle and fog, but once they passed over Wilkerson Pass everything brightened up. All along the way the travelers were met with gorgeous vistas, and innumerable onlookers who showed their approval as the Corvettes passed by. Several Corvette owners encountered along the way, waved, and accompanied us for a while as we cruised along.

Most of the cruisers elected to challenge the Million Dollar Highway, and the San Juan Scenic Skyway, while others chose to visit the Gateway Canyons Auto Museum, or set out to follow their own desires. The staff at the hotel, and all the eating establishments went out of their way to make our members feel right at home. Everybody was asking where the next getaway would be. Steamboat Springs and Glenwood Springs were two suggested destinations.

Drive Your Vette to Work Day

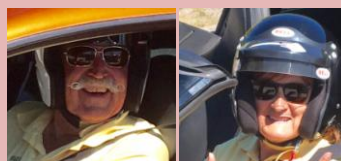

On June 30, 1953, the first Corvette rolled off the assembly line. To celebrate the 64th birthday of the Corvette, 29 Corvettes parked at the Hub Diner and the owners enjoyed a quick lunch together on Friday, June 30, 2017. The annual Drive Your Corvette To Work Day was again an entertaining activity.

DCA Challenge at Keystone – July 1-2

July 1st and 2nd was the annual Challenge at Keystone Autocrosses, sponsored by the Denver Corvette Association. It was two days of fast straight-a-ways and tricky corners, enjoyed by all who attended. The rumbling of mufflers could be heard by the Keystone maintenance crews working at the top of the mountain, several of them stopped by on the second day to see the excitement.

Drivers from SC³, TORCA, DCA and CWCC were there to partake in the stiff competition. We also had 3 out of state drivers join us: Rene Cardenas, Carolyn McLemore and Brett English; these NCCC members are at the top or near the top in this year's national competition bracket. Rene is competing for his 5th NCCC championship title. It was fun to meet them and then to race with them. Representing CSCC were: Don & Cindy McCoy, Roger Miller, Steve & Anita Smith, Darrell & Roxann Dearman, Tom & Vicki Ury, John Ames, Tanya & Doug Cox, Barb & Tom Hoepfner, and Anne & Scott Lewis. In our club, John Ames and Laurie Loewen had the fastest times for the first day and John Ames and Tanya Hrabal-Cox had the fastest times on the second day.

Last but not least – **A BIG THANK YOU** goes to Cindy and Don McCoy for hosting another Independence Day Bash at their home on Saturday night. It is always nice to eat, drink, and be merry with friends from CSCC and the other clubs.

June 24th, 25th Casper Wyoming Car Show and Autocross

The Colorado Springs Corvette Club was well represented over the weekend at the Central Wyoming Corvette Clubs Car Show and Autocross event in Casper Wyoming. Steve and Anita Smith, Doug and Tanya Hrabal-Cox made the car show on Saturday. Steve and Anita took the "Participants" Trophy, while Doug and Tanya took a "Top 5" best of Corvettes Trophy. There were 29 Corvettes amongst the other Chevy show cars. Tanya also won the 50/50 raffle. New friends were made and a great time was had by all. The Central Wyoming (Casper) Club put on an excellent venue.

The Autocross on Sunday was a day with some great lap times, as Lorren Loewen and Tanya Hrabal-Cox took home the FTD's. Tom and Vicki Ury, Laurie Loewen, Roger Miller, Doug Cox, Steve and Anita Smith were also there challenging Lorren and Tanya for best times. Mark Hurd represented the DCA club as well and was the only DCA or Torca member on hand. There was a great turnout from the Casper crowd. The course was a bit challenging when it came to the parking lot section of the course.

Ft Carson Freedom Fest Car Show

by Chris Capshaw

On a bright sunny weekend leading up to the 4th of July, the Colorado Springs Corvette Club, swept the two-day Fort Carson Freedom Fest Car Show by capturing the top 3 spots for Corvettes. Hundreds of people gazed at all the cars on display. When it was all over, Rick Prescott's 1961 captured first place, while Tom Phillips' 2016 convertible captured second place. Due to a mix up by the judges, Chris and Jonathan Capshaw's 1978 L-82 coupe was awarded 3rd place, but only after it was discovered their car had not even been judged! Chris and Jonathan weren't upset though, because along with their third place trophy, they also took home the coveted People's Choice trophy.

4th of July Monument Parade and CSCC BBQ - by Walt Jenkins

The 4th of July dawned a perfect day - 75 degrees, no clouds and no chance of rain. We gathered on Old Denver Highway just south of Monument and were lucky enough to be entry number 43. I think that the Children's Parade had entries 1 through 40, so we were 3rd in line. Fortunately, there were trees that kept us cool while we were waiting for the parade to start. Darrell and Roxanne brought some Dunkin Doughnut Holes to fend off the hunger. Chris Capshaw looks like he was one of the first to arrive and assisted in getting all of the cars parked. He was (as always) the main photographer for the group and did a great job at both, Thanks Chris!

We had 17 cars for the parade but almost lost Dan McCarty's C7 due to what seemed to be a clutch issue. Not long after the Parade began, Dan's car started to smoke, clearly from clutch material being burned away. Thankfully, we all made it through the parade. We were directed down Old Denver Highway for the exit, rather than the normal 105 exit. By the time we got back to the starting point, the rest of the parade hadn't even started on the parade route yet. So there was a huge backup, but after about 20 minutes of waiting, everything took off again and most of the parade participants made their way to Mike and Winnie Bochnak's home in Gleneagle.

As always, Mike cooked up some appetizers consisting of Polish and German sausages that were delicious. I had to make sure they were fit to consume for everyone, so had to sample them. I declared them wonderful and Mike started putting them out for everyone to eat. They were all gone in about two minutes and he had more going, but even though they went fast, I think everyone got some of the sausages. The appetizers were all gone by the time everyone showed up and we started to feast on all of the delicious food that everyone brought. Mike and Winnie also provided fried chicken as the main meat dish and it was great as usual. Potluck's are my favorite as everyone brings a dish excellently prepared and I get to sample all of it. I didn't quite get to taste every dish and dessert, but I tried!

Good conversations and stories abounded and we all broke up at about 3:00 and went home. Thanks to Mike and Winnie for opening up their home to the CSCC and for those of you that missed it, you missed another great 4th of July Parade and BBQ.

Trash Pickup – July 8 25 hearty souls braved the sunshine of Security, CO to clean the stretch of Highway 85 between Main Street and Mesa Ridge Parkway. This is a worthy community service. Thank you to the following for helping in this activity: Gerry Turner, Tom Phillips, David and Shauna Hall, Roger Grace, Tom Hoepfner, Steve Smith, Roger Miller, Elaine and Tim Collins, Alta and Pete Olejnik, Brent and Jeremy Renholm, Phyllis and Dave Ury, Colleen and John Williams, Dan McCarty, Joe Horvath, Lorren Loewen, Diane and Mike Dittman, Vicki Ury. I would also like to announce that David Hall will be taking over as coordinator of the CSCC Highway Beautification Program. Good Luck and Thank you David! Tom Ury

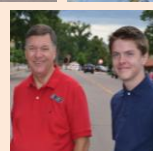

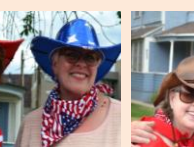

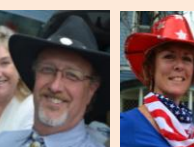

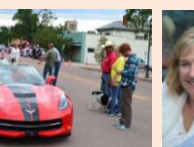

Pikes Peak or Bust Rodeo Parade July 11

by Chris Capshaw

Thirteen Corvettes from CSCC along with a dog, and a horse, participated in the 77th annual Pikes Peak or Bust Rodeo Parade. All CSCC members were wearing their very best Roy Rogers and Dale Evans costumes. All were duly deputized before saddling up, and cruising down Tejon Street. Once all the Corvette wranglers had finished dodging the pedestrians, and recycled hay; many of them moseyed over to Big Dog BBQ, for some fine chuck.

CSCC Heat Rash Autocrosses

by David Hall

The CSCC Heat Rash Autocross was held July 16th under a beautiful, cloudless PPIR sky and the autocross certainly lived up to its name! Over forty drivers from across the region, twelve dedicated CSCC workers, and many course worker volunteers enjoyed the mid-July weather to complete a successful event. There were also some interesting metal cars joining in the fun of competing on a long and fast John Ames designed course. There were lots of "riders" with huge grins on their faces asking for "one more ride?" as they finished the course. As the day progressed, it was evident that the 60 second mark was the one that few were able to beat. Three races with three runs each were finally finished at about mid-afternoon with several CSCC competitors finishing nicely. Congratulations to Tanya Hrabal-Cox with a Ladies first, second, and third Overall FTD; John Ames with two Class wins and a Men's second Overall FTD; Laurie Loewen with a Ladies second and third Overall FTD; Tom Ury with three Class wins; and Darrell Dearman with two Class wins.

Thanks to all of the CSCC team that made this event possible. Special thanks to the race chairmen and co-chairmen, Steve Smith, Roger Miller, Darrell Dearman, and David Hall and to all who helped make the event a success with the course set-up, equipment set-up, registration, time posting, grid and course workers, and starters. Yes, it does take a lot of team effort but man, what fun!

Tom's Tech Topic

Claytime

All of us would love to drive a shiny car and if one is willing to invest a little effort, I want to give you a tool that will enhance any car's finish. Strangely, only a very few people use this wonderful and great finish-enhancing tool. I'm talking about claybar—that stuff you played with as a kid is now an adult plaything.

I recently clay-barred my black C7 and decided to do only half of the hood and see if I could tell the difference. My car is only 3-1/2 years old, so how much would claybar improve the gloss or "feel" of the paint? I was skeptical. To tell if your paint needs help, wash your car and see how rough the paint is by using your hand. You can also use your hand inside a sandwich baggie for a more enhanced feel. If it's rough, it needs help. That's what claybar is good at.

The procedure is simple. First, spray a small area with a soap and water solution (or if you want to preserve your wax, use a finishing spray) and take that bar of automotive-grade clay (don't steal it from your kid), kneading it periodically to expose a new surface, and rub it on the paint in a circular motion. Wipe clean and rewash. That's it. It should be rather effortless if you have enough solution on it. How much? How long? Up to you I think.

What is the hard part? --Keeping that little --now slippery as a greased pig—very small piece of soapy clay from falling and hitting the ground. If it falls, throw it away and hope you bought more than one. I understand someone makes a holder for it—a great idea. The clay will grab any piece of grit laying around and could damage your paint.

Now that you've finished, go ahead and use that polish or wax, or if you used a finishing spray, you should not have a need to re-polish.

To polish or wax? Perhaps that is a subject for another time.

Try it on just half of your hood and I think you'll be as amazed as I was. Does anyone want to have a garage night for a demo?

DENVER RAFFLE WINNER

&

LeMANS -- 2017 STATS

RAFFLE WINNER: Colorado claimed another winner of a Corvette from the Museum as Robert Adams of Denver held the winning ticket for a 2017 Admiral Blue Grand Sport. Robert held ticket 611 out of 1,000 sold in the limited raffle, and he was home to receive the congratulatory phone call! Now comes an exciting visit to NCM where he'll take delivery, and his assembly plant VIP tour awaits when the tours resume in late 2018. Does anyone know Robert? If so, invite him to a club meeting or event!

LeMANS SUMMARY: Corvette Racing finished 3rd in the GTE Pro category at the 24-hour race in LeMans. Antonio Garcia, Jan Magnussen and Jordan Taylor climbed onto the podium for the second time in 4 years. The #63 C.7.R Corvette overcame an early-race puncture to chew its way back into competition before barely missing out on its ninth class victory since 2001. The #64 C.7.R Corvette, driven by Oliver Gavin, Tommy Milner and Marcel Fassler, placed 8th. Losing a wheel in the opening half proved costly as they lost 4 laps.

2017 CORVETTE STATS: 32,782 Corvettes were produced: Coupes at 27,340 were 34.3% Stingrays, 30.2% Grand Sports, and 18.9% Z06s. Convertibles at 5,442 were 7% Stingrays, 6.2% Grand Sports, and 3.3% Z06s. And once again, automatic 8-speed transmissions were double the manual 7-speed trannies.

Arctic White was most popular, followed by Watkins Glen Gray, Black, and Torch Red. I noted that if you combine Torch Red with Long Beach Red, Red would have been the most popular color.... and we all know **All Corvettes Are Red!**

RAFFLE: I'll have \$10 raffle tickets for a 2017 **Torch Red** Stingray Coupe at the August meeting. The drawing will be Saturday, September 2nd during the 23rd Anniversary Celebration.

NOTE: We are just over two years away from the 2019 Corvette Caravan, but plans are well into the works for the monumental experience. Keep the Caravan in mind when planning for 2019. I'll have more info as it becomes available.
