July Meeting Minutes

July Meeting Minutes The July meeting was called to order at 7:00 p.m. by 1st Vice President Steve Smith.

Jordan Priestly -from JDP Motorsports displayed his C7 Grand Sport. They are based in Utah and do late model GM performance upgrades. He answered numerous performance questions, and stayed around to answer questions after the meeting.

CSCC Merchandise – Bruce and Judy Unger had merchandise on display in CSCC's own "Corvette Court" including prices. They even had small bags of popcorn and chocolate for sale.

Treasurer's Report – Anita Smith reported on the state of the budget and current reserves. All is in good shape.

June Meeting Minutes – The June minutes were approved as printed in the July newsletter.

Past Event Reports –Chris Capshaw reported on the Steamboat Springs trip, which included 25 Corvettes. Everybody had a good time, even though, a few got lost. A few of the

attendees presented Chris and Jonathan with some cash and t-shirts with a picture of their car on the back and "Steamboat leader". **Dave Ury** – indicated there were 26 cars displayed at the Hub Diner for the Drive your Corvette to work day. **Walt Jenkins** – reported there were 12 cars in the Monument Parade and nobody broke down, however a C4 was leaking fluid.

National Museum update – Barrett Benson said you can get a museum delivery with your old Corvette, by paying \$500. They are organizing a 2019 caravan to the museum for the 25th Anniversary.

New Car Upgrades – Special News – **Terry Darby** reported his neighbor was in hospice care and wanted a ride in a Corvette. Terry put the convertible top down, gave him his hat and they cruised through the Garden of the Gods. Lots of smiles. A special time for him, but he passed away the next morning. **Steve Smith** said a new ZR1 Sebring Orange Corvette will be available in the next 30 days. See Mike Neufeld. **Ron Wynn** stated **Boyce Greenard** raced the Pikes Peak air strip and was the fastest street car at 161 mph.

Rocky Mountain Region and NCCC Update – Emailed prior to the meeting, see "Governor's Notes" from Lorren Loewen. Lorren encouraged people to come out and work events.

Walt Jenkins informed us that there were cars for sale on the NCCC website and convention updates.

Upcoming Events – Check the Events Calendar on the webpage for specific info.

Sat. Aug. 11 Black Forest Parade.

Sat. Aug. 18 CSCC Daniels Long Dealer Appreciation Car Show

Sun. Aug. 19 CSCC Picnic – Members Only

Sat. & Sun. Sept 1 & 2 NCCC Rocky Mt Region Keystone Weekend

Sat. Sept. 15 CSCC Pagosa Springs Rallye & Car Show

Sept. 20-23 Mid America Motorworks Funfest 2018

Guests were introduced by Chris Capshaw. Jody Thomas was voted in. Welcome Jody.

Door Prize Winners: Door prizes were donated by Daniels Long. Winners were Laurie Loewen, Steve Bello and Dan McCarty.

50/50 Drawing - \$214 was collected with \$107 won by Leonard Kanonik and \$107 to the treasury.

The meeting was adjourned at 8:00 p.m.

Respectfully submitted by Alta Olejnik

Membership Renewal

Watch for your CSCC membership renewal notices in the mail.

Coming in August

Beat the rush and save a stamp

Bring your renewal statement and payment to the September business meeting.

Membership will automatically lapse if dues are not paid prior to the end of the October 4th (annual) business meeting.

Thank You

Thank you very much for the flowers. I had bone spurs that were tearing the soft tissue in my hip ground off. Before that surgery, I had to have carpal tunnel surgery so I could use crutches. I'm still in PT and have had some complications but am healing.

Thanks, Anne Silvers

It's that time again.....Coming in September Nominations for 2019 Officers and Board Members

Article IV, 2.0 Nomination

Nominations of officers and board members will be received from the floor at the business meeting preceding the annual meeting [September], and at the annual meeting [October]. Nominees must be present at or contact a CSCC officer or a board member prior to the annual meeting to accept or decline the nomination.

DCA – Vettes on Broadway Saturday June 16

Chris Capshaw

Fifty-Five years is a long time. That is the number of years The Denver Corvette Association (DCA), has been associated with the dealership, which is now known as John Elway Chevrolet. On June 16th, DCA held their Vettes on Broadway People's Choice Car Show. There was a large gathering of Corvettes for the event, and about 20 members of our club made the trip to Englewood to attend. John Elway Chevrolet provided door prizes, trophies, and even fed everybody.

CSCC members were able to secure almost half of the awards with Rick Prescott taking 1st place in the combined C1 and C2 class. Jeff Shay and Regina Trimble collected a 2nd place win in the C5 class, while Rick Mendoza took 1st place. Tom Hanon brought home a 3rd place trophy in the C6 class, and Chris and Jonathan Capshaw brought home 2nd place. CSCC swept the C7 class with Gerry Turner taking 3rd, Mike and Winnie Bochnak taking 2nd, and Doug and Tania Cox taking 1st. Rounding out the awards was Bob and Di Druitt taking 3rd place in the Custom Class, and Steve and Anita Smith winning 2nd place. A fun day for all.

Steamboat Springs Adventure Cruise June 22-24

by Chris Capshaw

Part of the purpose of our club as stated in the bylaws, is to "encourage planned trips, events and social activities for members of the CSCC." That is exactly what happened when 53 members (including some future members) in 25 Corvettes and some metal cars set out on a 3-day adventure cruise to Steamboat Springs, CO.

On Day 1 all assembled at Rudy's BBQ and headed west, and then north. A lunch stop was made in Frisco, CO for some fine Mexican cuisine, before making the final leg into Steamboat Springs. Upon arrival the owner of the Rabbit Ears Motel who also happens to own a Corvette, presented the participants with special T-shirts made just for the cruise.

On Day 2 everybody was free to follow their heart's desire and take advantage of the myriad activities which were available. Probably the most popular activity was the cruise to the town of Grand Lake, where Bob Balink acted as a tour guide, and took a "boat load" of members on a boat cruise of Grand Lake. On the evening of Day 2, all gathered for a group dinner where stories of the day's activities were exchanged.

Day 3 saw the majority of members set out for home via a scenic route through Rocky Mountain National Park. Just when we thought the scenery couldn't get any more beautiful; it did. Along the way, one member almost got a very expensive souvenir from the Kremmling Police Department, but the stars were aligned properly and he was soon able to proceed without any financial hinderance. After a lunch stop in Estes Park, those who did not miss a turn ended up back home at the scheduled time.

July 4th Monument Parade

by Chris Capshaw

On the 242nd anniversary of the birth of our nation, eighteen club members in about a dozen highly patriotically decorated Corvettes assembled under the hot July sun to participate in the Monument 4th of July parade. Once the final decorating touches were made to our great examples of America's only true sports car, we sought out whatever shade we could find as we waited for the parade to begin.

As in years past the thousands of spectators who lined the streets shouted their approval as we meandered by. We were honored to receive the Motorized Distinguished Entry Award, which was proudly displayed on one of the Corvettes, and our club's banner.

Highway Beautification – July 07, 2018

by David Hall

The day was bright and warm as 9 dedicated volunteers worked in Security, CO to clean the stretch of Highway 85 between Main Street and Mesa Ridge Parkway. Even with the limited manpower, due to a fantastic crew, the clean-up only required an hour to finish! Many, many thanks to all who participated in this worthy community service: David and Shauna Hall, Chris and Jonathan Capshaw, Bob Knowles, Jim Nile, Dan McCarty, and Alta and Pete Olenik.

Afterwards many went to enjoy a warm hearty breakfast at Biscuits Café. Once again, the CSCC Highway Beautification Program thanks all who participated!

Alaska Cruise and Land Tour -June 27-July 7, 2018

North to Alaska Or Yeah, Sure, What Wildlife?

By Larry Valentine

"Here's the plan...we're taking a week and a half cruise/land trip to Alaska and we'll all meet in Vancouver on Wednesday, 1:00 pm. See you there". Can you believe it? All four CSCC couples, Dittmans, Bochnaks, T. Urys, and Valentines showed up and on time! Off they went taking in all the sights and sounds of the Alaskan Inside Passage plus a great tour of Denali National Park. Everyone did side excursions according to personal tastes providing great story telling over dinner each evening.

The CSCC group was joined a day late by Ray & Pat Jenkins, brother of Walt Jenkins and Corvette owners from Mesa, AZ. The complete tour included planes, trains, ship, boat, bus, shuttle, and automobile. The tour of Denali was wonderful with a bit of irony...the wild life consisted of one moose (with calf)...in a parking lot. Annd...Who would've thunk it...sunshine every day! General consensus: - Do it again in a heartbeat!

Pikes Peak or Bust Rodeo Parade – July 10

by Tom Phillips

The 2018 Pikes Peak or Bust Rodeo Parade was another outstanding event for the Colorado Springs Corvette Club. The Club entered 18 beautiful Corvettes (7 C7s, 4 C6s, 7C5s) and 31 participants. It was a beautiful evening, an enthusiastic crowd, and everyone was dressed in their finest cowboy and cowgirl attire, embracing the theme of the parade. Staging started at 5pm, with most arriving early, giving everyone the opportunity to say hello to new and old friends. The parade began at 6:30pm and lasted approximately 1 hr, after which, participants departed for Bird Dog BBQ for some good food and more camaraderie. It was another very successful and productive event for the Colorado Springs Corvette Club. Great job by everyone in attendance!

Roster of participants

Tom & Kathy Phillips, Chris and Jonathan Capshaw, Gerry & Kathy Turner, Kim Welsh and Rex Nipper, Jimmy & Angela Linn, Daniel Schuck, Rick Mendoza & Carol Shumaker, Robert Sanders & Linda Leslie, Paul Trees & Judith Michaels, Todd Barnhardt, Tim & Elaine Collins, Ron Wynn, Paul & Nancy Rahne, Terry Darby, Bob Litten, Pete Kulzer & Valerie Harvey, Diana & Mike Dittman, and prospective members Ron & Jeanne Urban.

Corvette Body Panels

I hear a lot of people calling the body panels on the Corvette different things: fiberglass, plastic, and composite. Which is it?

Here's the explanation.

1953: Starting with the first automotive application of fiberglass in mass production, the Corvette's panels were just that, Fiberglass and resin, layered into a one-sided mold. As cool as that was, they were difficult to prep and paint with any consistency. As these bodies aged, many developed cracks and checking through the paint and in high stress areas.

1968: Fast forward to 1968 when the body panels were made of a new press-mold process, where there is a two-sided die and compression can be used. This is where technology took a leap. Now they can better control thickness and weight. Still all fiberglass, but rather than layering it in sheets, I believe this is where they sort of sputtered the fiberglass on in short strands.

1973: The factory changed the formula significantly, using SMC (Sheet Molding Compound), which was fiberglass, resins, and a catalyst, along with a high-heat molding process. This new process increased material strength and made the paint prep process easier, and they could make it thinner and lighter. Fiberglass content continues to drop.

1981: This is the year they added plastic to the formulation. Now you can call them plastic. Less and less fiberglass.

1997: With the introduction of the C5, the formulation changed again, adding vinyl, styrene, calcium carbonate and a host of other fun things. Fiberglass content now is a lowly 20%. I'll call it plastic/fiberglass composite.

2005: Gasp! The C6 was introduced with steel rear fenders!!? I might be making this up, but a very good article I read, on the internet of course, said the C6 utilized "steel rear fenders" at least at its introduction. I call BS, but is the article correct? The C6 also saw the ushering in of carbon fiber on a larger scale.

2014: The C7 generation added roof, hood, and other carbon fiber elements for standard models.

2020: The C8, for now, looks like the current panels will stick around, for base models especially. Today's plastic composite fiberglass panels are virtually indestructible and look great. Look for more carbon fiber on the higher-end packages, just to save weight (and extract \$\$ from worthy customers).

If you would like to write an article, complain or comment, please contact me at tfury@comcast.net.

CORVETTE's 66th YEAR & NCM RACING EXHIBIT

CORVETTE BIRTHDAY CHEERS! As enthusiasts, we know June 30th is celebrated as the birth date of the Corvette. In 1953, the very first Corvettes were being assembled in Flint, MI with June 30th the day the first completed production car rolled off the assembly line. Only 300 were assembled, all Polo White with red interiors, and all convertibles. And here we are 66 years later (65 production years), thankful that America's sports car is still rolling off the line.

Did you know that NCM's film on the history of Corvette is played in the Museum's Chevrolet Theater? The film was recently awarded a Bronze Telly Award for the non-Broadcast General Automotive category.

NCM members can watch the flick, along with other videos, available in NCM's *MEMBERS ONLY* section of the website. Another reason for **you** to join and support the Museum - you can watch the video without traveling to Bowling Green. Of course, it's much better to see the video on the large screen, and in person.... I enjoy watching it every time I visit the Museum!

NEW RACING EXHIBIT The Museum's Exhibit Hall has once again been transformed to feature a special themed display. Through January 4, 2019, the story of Chevrolet racing is told, from the early days of Louis Chevrolet as a racing driver for Buick, through the AMA ban on racing, to Chevrolet's racing involvement with NASCAR, and the Le Mans winning Corvettes.

Significant stories are told through the display of various cars and artifacts, engines including one from a C5-R, a fuel injection cutaway, race suits, and more. Check it out on your next Museum trip; I'm looking forward to visiting the exhibit at NCM's 24th Annual Celebration this Labor Day weekend.

NOTE: The 2019 Rocky Mountain & High Plains Corvette Caravan Registration is open. Contact Co-Captain Keith Bennett (keith@keithbennett.org) for more information.

I summarized the registration procedures in last month's *Vette Set*.

RAFFLE: At the August meeting, I'll have \$10 tickets for a Torch Red 2019 Stingray convertible, to be drawn at NCM's Annual Celebration on September 1, 2018.

Colorado Springs Corvette Club

Sponsored By

Email Distribution List

To send an email to the entire club click below:

cscvvettes@googlegroups.com

All new members are added to the list using their email address from the Club roster. For questions about the distribution list, contact:

treasurer@coloradospringscorvetteclub.org

Email Etiquette

Please keep content specific to Club related items or events. Not for personal use. The By-laws state "Misuse of the CSCC website, website email, or distribution email, will not be tolerated and may result in club probation or expulsion. Feel free to set up your own "group" for willing member participants for non-Club related content.

Refrain from using the "Reply All" function when you are replying to an email. Only reply to the person sending the message, unless specifically requested to "Reply All". Help keep the unnecessary responses to a minimum.

NCCC Rocky Mountain Region Website
