S'No Flakes Rallye

CSCC needs a Chair and Co-Chair for the S'No Flakes Rallye. My preference is for CSCC NCCC members.

For this event, I will complete all of the computer work needed: Flyers, on-line Registration, Event creation, and uploading the results. You, as Chair/Co-Chair will need to layout the course, type up directions, have it reviewed (me and/or someone else), and present the Rallye to the CSCC board. Let me know if you are interested with creating puzzles for folks in vettes!

Colorado Springs Shines In The Rocky Mountain Region

Submitted by Wayne Umland

When people talk about the stars of the Rocky Mountain Region, some very shiny examples are members of the Colorado Springs Corvette Club. Our club has a long and proud history of competition in the region, and 2019 was no different. On March 14th, The Rocky Mountain Region held their annual awards banquet, and a steady stream of CSCC members had their names called. Here is a list of our club members who ranked within the top 15 positions in each category. Congratulations to everybody for their accomplishments.

The Rocky Mountain Region Executive Officer's Award for 2019 was won by Don & Cindy McCoy.

Get to Know Your Fellow Members
An Interview with Scott and Gayle Applekamp
by Diana Dittman

How long have you been a CSCC member? **Since October of 2017.**

What Corvette(s) do you currently own? **A yellow '64 resto-mod convertible with a Ramjet 350 named "Stinger" and a '72 red big block named "Sharkey". In the past they have owned a '72 convertible and a '85 coupe. They were members of Looking Glass Corvette Club while living in Englewood and Parker.**

Marital Status? **Been married for 36 years. (in October).**

Where are you from? **Scott is from Bergland, MI. Gail is from Traverse City, MI. They had lived in Arizona and California before moving to Colorado in 1989. They had been living in Florissant since 2008.**

How did you meet? **They met in 1983 at Munson Medical Center in Traverse City, MI. Scott was interning in laboratory medicine and Gail was a Physical Therapy Assistant. They got married in 1984.**

Employment? **Scott worked in the hospital as a Medical Laboratory Scientist until getting into diagnostics and biomedical sales. He is currently with Ortho Clinical Diagnostics as a Health Systems Executive. Gail worked as a Physical Therapy Assistant until their first son was born and has worked in Admissions recently.**

Kids? **They have three sons. Alex, 31, lives in Pueblo with his wife and two sons. He is waiting for his security clearance to start a position at Lockheed Martin. Andrew, 29, lives in Denver and works for Neoss (dental implants), as a sales representative. Austin, 20, is in the Navy and is stationed out of SanDiego, on the USS Decatur, a guided missile destroyer.**

Pets? **Three cats, Benji, Koda, and Cora.**

Favorite club activity? **Meeting fellow Corvette enthusiasts, shows, cruises, and anything that provides opportunity to enjoy their Corvettes!**

Hobbies? **Corvettes, basketball (used to play) and nature photography.**

What is the best vacation you ever took? **They go to Michigan to visit relatives. A trip to Bowling Green to visit the National Corvette Museum was very memorable. Gail's most memorable vacations were to Germany and traveling around Maine. Going to Bora Bora is on their bucket list.**

What is your dream corvette? **The two that they currently own. Also, in their future is a 2022 C8 convertible, targeting October of 2021 to put their order in. (saving up).**

How did your love of Corvettes come about? **Scott was in 8th grade hitchhiking with a friend and on the walk to the main road a guy was cleaning his '68 convertible, blue with white interior. Scott commented that it was an awesome car and the guy replied, "It's for sale!" In Scott's words, he couldn't even afford the wax for the car, let alone buy it. At that moment he set a goal to someday own a '68-'72. As for Gail…. Scott came along and the rest is history!**

Anything else you would like to add? **The friendships that they have developed with club members has been great! Here is a quote from Scott, "All Corvette owners have a passion for life and this enthusiasm for the fiberglass, metal, leather, rubber, and glass, all inanimate and worthless in their fundamental form, is embodied in the talent, drive, and love for life that our club members possess. We are all connected at our core for America's ONLY true sports car-The Corvette."**

Thanks for the interview Scott and Gail.

Governor's Corner

NCCC

A long time ago, in a … when I was CSCC Governor, there were two types of club members, NCCC, and non-NCCC. My articles and presentations focused on the CSCC NCCC members and NCCC events (for example, excludes: picnic, cruises, by-laws, etc.).

I received a couple of e-mails recently noting that those assumptions are no longer the case. Wow, that is true. CSCC is a 100% NCCC club. The precept is still valid though, although a disclaimer might clear some confusion. My articles and presentations are still focused on the CSCC NCCC members. If you are not a CSCC NCCC member, they may be pertinent, or not. For non-CSCC-NCCC members, this Governor cannot correct your e-mail, NCCC cards, or any other NCCC information. Recognition for Championship points is intended for CSCC NCCC members. For non-CSCC-NCCC members, I recommend you discuss this with your Governor.

A long time ago, in a … about the time I was Governor, CSCC was second in the Club Regional Points. What bugged me was the CSCC was the largest club in the Region. Several of us changed the CSCC standing from second to first. That standing was held until last year. CSCC is still the largest club in the region; however, we went from first to third in Club Regional Points last year.

Moving from third to first is a long and difficult road. There is good news, Tom U's wing has healed, so he'll be doing more auto-crosses; Clark R is going to give competing a whirl. I am hoping that the competitors, volunteers from last year, continue this year. If we step up, CSCC can return to 1st in Club Regional Points.

Govna wayne – aka your NCCC Cheerleader ☺

As always, these are the thoughts of Wayne Umland, and may not reflect the views of CSCC, NCCC or RMR.

Museum In Motion… coming to the Springs!

The National Corvette Museum's onsite events season is in Bowling Green, KY every year from April through November. But did you know that to the delight of both national and international members, its Museum In Motion (MIM) program offers offsite events throughout the year all across the USA, Canada, England and France.

A selection of excursions and featured tours combine driving fun, socializing with fellow Corvette enthusiasts, and unique site visits, often including V.I.P. and behind-the-scenes opportunities available only to the Museum. The MIM program was initiated by Roc Linlov, past Events Manager and now a certified driving instructor for NCM's Motorsports Park track. Events registration includes meals, accommodations, and some fees; and while most MIM events do sell out rapidly, wait-lists are available.

While there's good news: MIM is coming to Colorado Springs July 12-17, 2020, the bad news is: its 25 spaces are sold out! But more good news: I talked with Bryce Burklow, Events Manager, who said club members can join in the festivities on a daily basis for the tours without charge, but must pay some fees (like Pikes Peak tour) and meals, etc. Although most meals will be limited to registrants due to space accommodations, joining the group dinner at the Flying W is likely as space should be available.

The July event tours include the Olympic Training Center and Museum, Pikes Peak, Air Force Academy, National Museum of WWII Aviation, Garden of the Gods, Manitou Cliff Dwellings, and Western Museum of Mining and Industry. The group will be departing daily from the Hampton Inn & Suites, 2910 Geyser Road, around 8:15 a.m. after a drivers' meeting. This will be a great opportunity for us to welcome, greet, and mingle with Corvette enthusiasts traveling to the Springs.

For more information, visit NCM's web site and select events, MIM; or call Bryce or Maci Hensley at 1-800-538-8338.

NCM MICHELIN BASH Online registration for NCM's onsite opening event April 23-25, 2020 is now open and will close on Thursday, April 2nd.
