July Meeting Minutes

The July meeting was called to order at 7:00 p.m. by President Chris Capshaw.

Treasurer's Report – Anita Smith reported that the club is very comfortable.

Secretary Report – Todd DeSchepper. No corrections to the June minutes as they were approved as printed in the June newsletter. If anyone has any articles to share, please send to Jodi.

Past Events:

Club Picnic – Todd DeSchepper. Picnic was very successful. 88 participants. We ended up with 42 cars when I requested at least 42 cars for the photo shoot. Only about 6 came without their vettes. Todd shared that nobody lost a limb on the axe throw or an eye on the bow and arrow. He did share that he had 2 bold neighbors that showed up and wanted to know what was going on. One actually wanted to drive their Tesla around the cars. Luckily Ralph stopped him.

Drive Your Vette to Work Day – Chris Capshaw. Another successful event. See article in the newsletter for details.

4th of July Parade: Chris Capshaw: Chris reported that we have 18 cars participating. Everyone has a great time. The crowd requested "engines roar" and many of the participants complied. Only incident was post parade when Chris had his car hit by one of the vans in the parade. Hoping that all gets sorted out correctly soon.

New Business:

Museum Update – Chris Capshaw

Barret was unable to make the meeting. Chris reminded us that there are several raffles coming up and let Barret know if you are interested so he can help get you ticket.

New Cars – Upgrades – Special News:

There is an ongoing crackdown in Calhan on traffic violations. Please be careful

Z06 Display to be at Daniel's Long Chevy on July 15. Update – Car looked great and was the right color (Todd's comment)

Governor's Report – Walt Jenkins

Madison Martinez was the recipient of our club's scholarship through NCCC. Thanks to all that contributed through our 50/50 drawings

Convention was held in Atlantic City. Great event. Everyone from RMR that entered an event won that event. Great showing RMR!

DCA event "Vettes on Broadway" was a great success. 110 cars participated. Let's see if we can better that in our Daniel's Long Charity Car Show.

Meeting at Bird Dog BBQ to celebrate the life of Donna Larson.

Our 60th Anniversary Picnic

Submitted by Chris Capshaw

We sure don't look or feel like we're sixty years old, but we are. On June 25th our club celebrated it's Diamond anniversary at our annual picnic. There was plenty of food, games, and fun for all those who participated. Todd and Jodi DeSchepper once again graciously opened their homestead up for our club. Most people probably don't know this, but Jodi had two surgical procedures in the days leading up to the picnic. She's a real Trooper. As part of the festivities, Todd organized a special display of our Corvettes as Roman Numerals "LX." Then he broke out his drone and took photos and videos. We all know how just one Corvette can gather attention, but having over 40 set up in a field, really got some attention including two potential members, who have recently moved here with their Corvette.

Once the first round of eating was finished, the games began. In addition to the traditional non-competitive games of Horseshoes, Cornhole, and Ax Throwing, we had some competitive games with cash prizes. Anita Smith and Diana Dittman orchestrated the Bingo games in which; Scott Applekamp, Todd Barnhardt, Luther Benson, and Jo Ellen Hubert all won their respective games. Our traditional Egg Toss competition was won by Tom Taylor and his daughter Ira. A new competition this year was archery. There was a four-way tie for first place, so a speed elimination round was conducted with Jordan Uzzo coming out on top. I guess all that Army marksmanship training came in handy.

While our club obtaining it's sixtieth anniversary is a notable achievement, there are some club members who in 2022, will also obtain noteworthy achievements of their own. James and Judy Nile will celebrate 50 years of membership, Ann Silvers 51 years, John and Judith Gue 52 years, Bob and Gerre Evans 53 years, Lynn Wittrock 55 years, and Larry and Gwenda Valentine, the longest tenured members of our club, will also reach 55 years.

Events like our picnic cannot happen without the many volunteers who make things run smoothly. We had members who could not be at the picnic because of previous commitments, but they showed up the day before to help set things up. There are far too many to mention, but they know who they are, and that our club expresses our sincere appreciation for their efforts. Happy 60th CSCC!

4th of July Parade

The Colorado Springs Corvette Club participated in the 4th of July parade once again this year. I'm not sure how long the club has been involved in the parade, however, I do know that it is longer then the twenty-six years that I have been a member.

The volunteers for the parade started arriving about 7:00 am and everyone was ready to go at 8:00 am although the parade does not start until 10:00 am. We had sixteen beautiful Corvettes in the parade; with every generation being represented except the C-1 and the C-8. We had one of our members wear his military uniform, which I requested if they still had it and yes he still fit in it. He looked fabulous and it was a thrill for me to see him in it. Thank you, Gary.

Most of the cars were decorated, however, some of the cars were undressed and they looked Ok. A very large THANK YOU to the anonymous donor that paid for the entry fee for our participation.

The weather was perrrrrfect and the parade started promptly at 10:00. The cars went through the parade without any serious problems, however, one car died out six times or so, but, started up every time and finished the parade.

We did have a serious incident with a car that was not in the parade. Chris C. helped extensively with numerous items to get the parade organized and a big THANK YOU must go out to him. He was going to pick up Jonathan after the parade as Jonathan was riding with Rick, and a float hit Chris's car. The float did not cause a lot of damage, however, as we all know our Corvettes are expensive to repair.

Thank you to all who participated in the parade and thank you also for not burning out as all the parade attendees wanted us to.

Respectfully submitted by Pete Olejnik – Chairperson.

Happy Birthday To You; Happy Birthday To You!

Submitted by Chris Capshaw

Happy birthday dear Corvette; Happy birthday to you. The Corvette turned 69 years old on June 30th, which was the day in 1953, when the first 3 Corvettes rolled off the assembly line. Every year since then, the closest Friday to June 30th, is designated as the National "Drive Your Corvette To Work Day." Our club held its annual Corvette lunch gathering on July 1st, and about thirty gorgeous Corvettes assembled at Bird Dog BBQ for some fine eating, and socializing. Weather was great with just enough clouds and breezes, to keep everybody cool. The staff of Bird Dog were ready for us and had special menu items for us as well. The gathering would have lasted longer, but clouds were observed forming up to the west, so people began heading out to put their steeds in the barn. A fun time for all.

A Celebration of Life

Submitted by Chris Capshaw

Donna Larson the loving wife, mother, and friend to many people, was unexpectedly taken away from us in November of 2021. On July 9th, family, friends, and fellow club members, gathered at one of Donna's favorite restaurants, and celebrated her life with us. There were many hugs exchanged, as well as stories about Donna. Club members brought out twenty-nine Corvettes, and one wannabe, to relive some cherished memories, and make some new ones. We all love you Donna and save us all a parking space.

Get to Know Your Fellow Members

An Interview with John and Jean Cantu

by Diana Dittman

How long have you been a CSCC member? **Since October of 2021.**

What Corvette(s) do you currently own or have owned? **Currently own a 2016 Laguna Blue. Previously owned a 1996 Silver Corvette and a 2000 Silver Corvette.**

Marital Status? **Been married for 27 years.**

How did you meet? **John and Jean met at work. They were both in the banking business. John was Jean's supervisor. Since they were both single, they started dating. Four years later they decided to buy a house together and thought that it would be a good idea to get married.**

Where are you from? **John was born in Sidney, NE. and lived there for five years. His family then moved to El Paso, TX for six years. The family then moved to Colorado Springs in 1963. His Dad worked Civil Service and started working at the Air Force Academy. John graduated from Palmer High School and Colorado College. Jean was born in Wilton, WI and lived there until she was 7 years old. Her family then moved to Sheridan, WY and she was there until she was 15. In 1973 the family moved to Colorado Springs and Jean graduated from Coronado High School.**

Employment? **While John was in college, he worked in banks part time. Upon graduating he got an officer's commission as second lieutenant in the Army. He served nine years in the reserves and left as a Captain. He went into the banking business in 1971 and retired in 2016 as a senior commercial lender. John said that he wanted to be an Art teacher, but the money to be made as a banker was more appealing. Jean was also in the banking business for 35 years. She retired from US bank after 32 years and worked in the wealth management department.**

Kids? **John has two children. His daughter, Alicia, is 50. She is a pediatric doctor at San Diego Children's Hospital. His son, Tim, is 46. He is a sales director for the Bobcat Franchise. There are five grandkids ranging in age from 10 to 20.**

Pets? **None.**

Favorite club activity? **They enjoy the social events and the cruises. They said that last year's Pagosa Springs trip was fun.**

Hobbies? **Besides enjoying the Corvette, John likes to go fishing and handgun shooting. Jean also goes handgun shooting and plays cards with friends. She also plays Mahjong. (She says there are a LOT of rules in that game). They both play Pickleball as well.**

What is the best vacation you ever took? **For twenty years they have gone to Lake Powell with a core group of friends. Sometimes other friends will go as well. Besides being on a houseboat, they jet ski and water ski. Jean said that they also would have theme nights. (Sounds like a blast!)**

What is your dream corvette? **John says it's the one that they own!**

How did your love of Corvettes come about? **When John's Dad worked at the Air Force Academy and John was a kid, he would see the Corvettes that the Cadets owned. He said someday I'm going to own one of those!**

Anything else you would like to add? **They have enjoyed getting to know people in the club.**

Thanks for the interview John and Jean.

NCM'S 4TH Artifact of the Month

In the March 2022 issue of *The Vette Set*, I reported on the Museum's new program highlighting a significant moment in Corvette history, *Artifact of the Month*. The 1983 Analog Dash Cluster was chosen as the 1st artifact, followed by artifact #2, the Croton Watch, and #3, the Betty Skelton 1956 Daytona Trophy. The 4th artifact is a specially designed ring celebrating the very first win at the 24 Hours of Le Mans race for the Pratt & Miller Corvette Racing era that produced 8 Le Mans victories, 15 additional racing championships for Corvette Racing, and 8 Corvette Hall of Fame (HOF) inductees!

Gary Pratt and Jim Miller formed Pratt & Miller Engineering in 1989. In 1996, the Corvette Racing era began with the blessing of John Middlebrook, General Manager of Chevrolet, and Herb Fishel (HOF 2015), Director of GM Motorsports. Program Manager Doug Fehan (HOF 2020) connected with Gary Pratt and Jim Miller (both HOF 2022), who would build their race cars based on the all-new C5 Corvette. With test driver Ron Fellows (HOF 2011) they would continue to develop the C5-R until 1999 when they began racing in the new American Le Mans Series. Gary Claudio (HOF 2012), Corvette Marketing Manager, was ready to make sure everyone in the world would take notice.

In 2001, with only two seasons behind them, the two-car Corvette Racing team took the overall win at the 24 Hours of Daytona in the #2 Corvette driven by Ron Fellows, Johnny O'Connell (HOF 2013), and Chris Kneifel. The #3 Corvette came in second-in-class, driven by Dale Earnhardt, Dale Jr., Andy Pilgrim (HOF 2012) and Kelly Collins. Following the victories, the team then raced at the 24 Hours of Le Mans, and after 24 hours they stood victorious on the podium with first and second place trophies!

Gary Claudio recalls that moment vividly, *"standing on the podium looking down at this crowd, this ocean of people, as our National Anthem was played. They were all celebrating with us. They had adopted us. We had come hat in hand, humble, honoring the tradition of Le Mans, and they had accepted us. They loved the sound of that ground-pounding-American thunder and would flock to the fence when our cars would go down the Mulsanne Straight. Watching them now chant "Viva La Corvette" was a profound moment for all of us. We set out to compete internationally and represent GM, the Corvette, and the loyal patrons who loved and drove these cars, and we had won. We made history that day and would go on to do it seven more times."* Claudio said the ring he donated to the Museum commemorating the 1st Le Mans win *"...represents the hard work of the team, the sweat, the blood, the dedication, the passion, and the love that is best summed up in one word... Corvette."*

28th Anniversary Celebration, the Museum's next major event, will be September 1st – 3rd. Many seminars and tours as well as track experiences are available. Online registration is open through August 15th.
